Oversized Imprint Jobs Like Table Cloths: -$20 + 10 cents square inch for the whole job, up to 36" long, then you start the calculation over again.

MAXIMUM HEIGHT is 18", width can be more.

❶ Quantity imprint price breaks are for the SAME image on the SAME style of clothing.

❷ Base Imprint Prices are based on receiving artwork that is ready to imprint. Fuzzy screen captures or JPEGS will most likely have to be made into proper Vector images, and additional fees may apply. We will give you an estimate of these costs before proceeding.

❸ Bringing in your own clothes? We reserve the right to not print on your own clothes, if we can't determine their suitability for imprinting. Our clothing lines are specifically made to work with our imprint methods.

Extra Imprint Calculation:

Item to imprint	Colour	Size	Quant	Clothing Cost	Base Imprint	Additional Location Imprint Fee	Extra Material Fee	Extended per unit cost	Before HST Total Cost
							Add:HST		
							TOTAL AMT		

Acceptable Files: Corel Draw, EPS, PDF with text converted to curves. Image files: Bitmap, JPEG, Tiff, PNG - all must be 300 DPI. Files should be saved in CMYK

Proof required before imprinting: Y / N Artwork/Design has been reviewed by customer and is okay to print. Customer acknowledges they own the image in question and have the right to have it printed. They understand that dye lots change in the colour of garments and may not be exactly the same through an entire run.
